INTELLECTUALLY COMPETENT, OPEN TO GROWTH, LOVING, COMMITTED TO DOING JUSTICE, RELIGIOUS, GRATEFUL

CELEBRATE 10!

*A Decade of
Igniting Hope,
Inspiring Minds, and
Changing Lives.*

What an incredible decade.

Our story began in 2013 when our first class of sixth grade students joined Nativity, filling our humble classrooms in a tiny parish building. We started small, both in size and resources, and our determination was boundless. Over the years, we grew, faced challenges, and celebrated victories that shaped the remarkable institution we are today.

The search for space was real, but so was our commitment. With each passing year, we expanded, adding new classes, and in 2016, we proudly graduated our first group of eighth grade students. That was just the beginning.

In 2017, we embarked on a strategic planning journey that paved the way for our future. This strategic plan, *Igniting Hope*, laid down clear goals for our academic program, student character development, and more. Fast forward to 2020, and thanks to the generous support of Archbishop Etienne and the Archdiocese of Seattle, we found a new home on the spacious St. Edward Parish campus. This move gave us the space to double our student body and expand our high quality education with a broader range of subjects, enhancing our educational excellence.

Our mission continues after middle school graduation. With 118 graduates as of June 2023, we continue to support our alumni through our Graduate Support Program, ensuring they navigate the challenges of high school, higher education, and the professional world. Our commitment reflects the essence of the Nativity model — removing barriers, building partnerships, and empowering our youth to become young men and women for others.

In 2020, our first graduating class advanced to universities including the University of Washington, Arizona State University, and Gonzaga University. Our graduates are a testament to the quality of our academic program, educational excellence, and character development goals.

Looking back, I am deeply moved by the people who made it happen. Our dedicated students, passionate faculty, supportive parents, visionary boards, and very generous donors have all been the driving force behind our success.

*“If you think in terms of a year, plant a seed;
if in terms of ten years, plant trees;
if in terms of 100 years, teach the people.”* CONFUCIUS

We have planted seeds of knowledge, character, and hope, nurturing them into sturdy trees that stand tall and proud today. As we celebrate our achievements, let’s renew our resolve to keep teaching, nurturing, and investing in the future. Together, we will continue to build not just scholars but compassionate, capable, and empowered men and women ready to make a difference in the world.

Here’s to the next ten years at Seattle Nativity School!

STEM FAIR

Our Annual STEM Fair brings scientific inquiry, research, writing, and creativity into one assignment. Our volunteer judges dedicated a full day to interviewing our students and learning about their work.

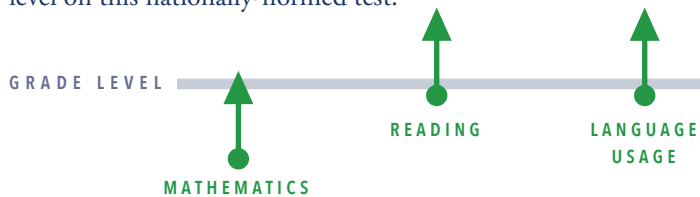

Congratulations Lovee for First Place!

STUDENT GROWTH

The Measures of Academic Progress (MAP) test indicates in two years of our high-quality education, the Nativity Class of 2024 grew to achieve grade level in Mathematics. In Reading and Language Usage, students grew to achieve scores above grade level on this nationally-normed test.

FINE ARTS

Expanding our curriculum to include a Fine Arts program was an academic highlight in 2022-2023. Many thanks to our generous benefactors who made this possible.

The year culminated with the First Annual Arts & Culture Showcase. Student docents offered tours and described artwork to guests.

The Seattle Nativity School Class of 2023

2023 ST. IGNATIUS GENEROSITY AWARD

In June, each graduating class recognizes two classmates who demonstrate our six virtues:

- | | |
|--------------------------|----------------------------|
| Open to Growth | Loving |
| Intellectually Competent | Committed to Doing Justice |
| Religious | Grateful |

Congratulations Mahta and Yafete!

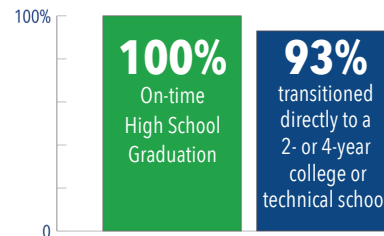

Nativity graduates are welcomed back often! Through our Inspiring Minds Guest Speaker program, graduates return to tell their story. They share the important lessons learned as a Nativity middle school student and how that impacted where they are today.

Graduates from the Nativity Classes of 2016, 2017, 2018, and 2019 are currently attending the following 2- or 4-year colleges and technical schools:

- | | |
|-------------------------------|----------------------------------|
| Arizona State University | South Seattle College |
| Bellevue College | Southern University of Louisiana |
| Central Wyoming College | Seattle University |
| Eastern Washington University | St. Martin's University |
| Gonzaga University | United States Air Force Academy |
| Highline Community College | United States Naval Academy |
| Lewis & Clark College | University of Miami |
| Louisiana State University | University of Washington |
| Morgan State University | Wayne State University |
| PIMA Medical Institute | Western Washington University |
| Seattle Central College | Wiley College |

OUR MISSION

*Seattle Nativity School is a Catholic,
Jesuit-endorsed, Science, Technology, Engineering,
and Mathematics (STEM) middle school
seeking to break the cycle of poverty
through an education that nourishes souls
and ignites leaders for love and service.*
